The Bulletin.

A Voice from Sweden.

American Chemists and their Production appreciated by the Professors at the celebrated Universities in Sweden. Mr. Sachs, Sir.—At your request, I have selected Hall's Vegetable-soap, Hair Remover, in its present form, "the Scandian Hotel," and can say it will restore grey hair to its original color. It is entirely harmless, and is a valuable remedy to use in such cases.

P. H. MALMSTEN,
Professor of Chemistry and Medicine,
STOCKHOLM, July 6, 1868.

From the highest medical authority in Sweden.—As I have had occasion to see several persons, who, for some time, have used Hall's Vegetable-soap, Hair Remover, and know that it has restored the original color of the hair, as well as being efficient in removing the itching and dandruff that accompanies the falling off of the hair, I consider it my duty to acknowledge the same to Mr. Sachs.

VINCENT LINDBERG,
Play-dean-in-Chief to the King, and pre-

server of his life.
